

Technology in the Classroom

Steps to prepare for new tech in class

1. Answer why?
 - a. Why do you want to use this equipment?
 - b. How will it help students?
2. Learn to use equipment
3. Schedule equipment
4. Preview
 - a. Set up everything you need for class exactly as you plan to use it.
 - b. Consider things like if students in the back can see and hear media clearly.
5. Have class!

Troubleshooting Tips

- Reboot
- Check cables
- Verify network
- Check inputs, settings
- Swap cables

What ideas do you have for using technology in your classroom?

Notes:

Japanese Key Word Box : 日本語でキーワードコーナー

Input: 入力 Audio Properties: オーディオ設定 / オーディオプロパティ

Mute: ミュート Restart: 再起動
